Brian,

Feb 5th works for all the EPA participants for a meeting in Seattle. We have a conference room reserved at the Region 10 office for that date.

Regards,

Harry

Harry,

I just wanted to check in to see if you have a better idea of the possible date for the upcoming meeting to discuss The Dalles. We previously discussed the possibility of February 5th or 6th. If so, February 5th would be preferable if possible.

Please let me know so we can get the date confirmed on the calendar and arrange our travel.

Thanks,

Brian
